1) What specific outreach initiatives has the nominee established to ensure underserved community participation in the cooperative programs? Briefly describe the initiative and its objective. Was the program established to answer a need in an underserved community or was it a byproduct of an existing effort?

2) What underserved communities benefited from the initiative, and how did the nominee encourage the participation? Describe the underserved community, and explain the need for attention to this group.

3) What is the impact of the cooperation? How has the target group benefited from the initiative? Are the outcomes measurable? Are negative outcomes mitigated?

4) Will the initiative be continued? Expanded? Discontinued? Does the community prefer continuation? Explain.
