

Request for Proposals
Notice of Availability of Heli-ski Prospectus

On December 3, 2002, the Cordova Ranger District, Chugach National Forest, issued a prospectus requesting proposals to provide heli-skiing recreation opportunities. The area this service may be offered is within the northern zone of the Cordova Ranger District bordered by the Cleave Creek drainage to the north, the Copper River to the east, Allen Glacier to the south and Marshall Pass to the west. This is the same area previously under heli-ski permit in the 1998, 1999 and 2002 operating seasons.

Proposals must be post-marked or e-mailed by COB January 2, 2003 and received no later than January 6, 2003. All applicants will be evaluated and a single successful proponent selected to provide this service.

Please e-mail proposals to rbehrends@fs.fed.us or send hardcopy proposals to:
