

Table of Contents

Chapter 1- Purpose and Need.....	1
Background	1
Administrative Units included in the Amendment	2
Lynx Conservation and Assessment Strategy - Risk Factors	5
Purpose and Need.....	6
Proposed Action.....	6
Decision Framework.....	11
Responsible Official.....	11
Scope.....	11
Chapter 2 – Issues and Alternatives.....	13
Introduction.....	13
Scoping.....	13
Issues.....	13
Significant Issues	14
Key Issues	14
Alternatives	15
Alternative A - No Action.....	15
Alternative B - Proposed Action.....	16
Alternative C	18
Alternative D.....	18
Alternatives Eliminated from Detail Study.....	32
Comparison of the Alternatives	34
Chapter 3 – Affected Environment and Environmental Consequences.....	45
Southern Rocky Mountain Geographic Area Amendment Area	45
Cumulative Impacts	46
Wildlife.....	49
Introduction.....	49
Background	49
Biological Elements of the Environment.....	50
Characteristics of Lynx Habitat in the Southern Rocky Mountain Geographic	
Area	51
Historical lynx populations in the Southern Rockies.....	53
Disturbance regimes important to Lynx habitat in the Southern Rockies	54
Affected Environment and Environmental Consequences	55
Lynx Conservation and Assessment Strategy - Risk Factors	56
Trapping	60
Affected Environment.....	60
Environmental Consequences	60
Predator Control.....	60
Affected Environment.....	60
Environmental Consequences	60
Incidental or Illegal Shooting.....	61
Affected Environment.....	61
Environmental Consequences	61

<u>Competition and Predation (Lynx productivity and mortality risk factor)</u>	61

Appendices

- A – Interdisciplinary Team Members**
- B – Literature Cited and References**
- C – Glossary**
- D – Linkage Zone Descriptions**
- E – Proposed Action and Original Proposed Action Crosswalk**
- F – Canada Lynx Habitat Mapping Process**
- G – Management Indicator Species**
