Re: Rio Oxbow Land Exchange Project

Dear Mr. Spero:

This office has reviewed your correspondence of March 21, 2002 and the cultural resource reports prepared for the project listed above.

We concur that the following prehistoric sites are not eligible to the National Register. Testing found the sites to have shallow soils and no intact cultural deposits, therefore, they will yield no further information important to prehistory.

5ML331 5ML333 5ML334 5ML337 5ML338
5ML357 5ML358 5ML360

We concur that no historic properties will be affected by this land exchange.

If we may be of further assistance please contact Jim Green at 303-866-4674.

Sincerely,

Georgianna Contiguglia

State Historic Preservation Officer
