To Interested Publics:

The Rio Grande National Forest has completed the fiscal year 2001 monitoring and evaluation report as required by 36 CFR 219.12(k). In addition to the annual monitoring and evaluation report the Forest has prepared a second document which is the five year forest plan review required by 36 CFR 219.10(g). The Forest has also completed a group monitoring report for the Twister timber sale on the Divide Ranger District. Copies of these reports are available upon request or can be accessed through the following links:

[FY-2001 Monitoring and Evaluation Report](#)

[Forest Plan Implementation, 1997-2001](#)

[Twister Timber Sale Group Monitoring Report](#)

These reports are not decision documents and are not subject to appeal under 36 CFR 217. Thank you for your continued interest in the management of the Rio Grande National Forest.

Sincerely,

PETER L. CLARK
Forest Supervisor
