Re: Appeal #01-03-00-0028-A215, Pinaleno Ecosystem Management Demonstration Project,
Coronado National Forest

Dear Mr. Hodges:

In accordance with 36 CFR 251.93 (b) Resolution of Issues, I have received your letter of May 25, 2001, stating that your meeting with District Ranger George Asmus and District Biologist Genice Froehlich of the Safford Ranger District was successful in resolving your objections to the project. Your letter also stated that, because of this successful meeting, you were withdrawing the appeal on the Pinaleno Ecosystem Management Demonstration Project on the Safford Ranger District, Coronado National Forest, signed by George Asmus on March 15, 2001.

I am pleased that a successful resolution was reached. In accordance with 36 CFR 251.92 (3) this appeal is dismissed.

Sincerely,

/s/ James T. Gladen
