Dear Billy and Helen:

On September 26, 2002 Mesa District Ranger Wirtz amended your Annual Operating Instructions (AOI) to allow livestock to remain on the Millsite allotment. This amended AOI constitutes a withdrawal of Ranger Wirtz's August 8, 2002 instructions to remove livestock from the allotment.

I am dismissing your appeal #**02-03-12-0007-A251** dated September 6, 2002 based on the withdrawal of Ranger Wirtz's decision dated August 8, 2002. This dismissal is consistent with 36 CFR 251.92(a)(6).

Sincerely,

/s/ Andrea Wojtasek, for
