Re: Appeal 98-03-00-0058-A251 and
Appeal 99-03-00-0001-A251, Roosevelt Lake Marina, Tonto National Forest

Dear Mr. Williams:

This letter is in regards to both appeals filed by you on behalf of Roosevelt Marina, LLC. Appeal 98-03-00-0058 A251 regards the relocation of Roosevelt Lake Marina and appeal 99-03-00-0001-A251 regards boat length. Both appeals were timely under 36 CFR 251, Subpart C.

Appeal 99-03-00-0001-A251, boat length:

On November 25, 1998, Forest Supervisor Chuck Bazan withdrew his decision of September 2, 1998. Therefore, in accordance with 36 CFR 251.92 (6), this appeal is dismissed.

Appeal 98-03-00-0058-A251, relocation:

In accordance with 36 CFR 251.93 (b) resolution of issues, Forest Supervisor Chuck Bazan requested an extension of time in filing the responsive statement in order to meet with you to discuss appeal issues. On December 2, 1998, the Forest Supervisor informed me that the meetings were a success and that you would withdraw the appeal in writing. On December 12, 1998, I received your letter withdrawing the appeal on the relocation of the marina. Therefore, in accordance with 36 CFR 251.92 (3), this appeal is dismissed.

Sincerely,

/s/John R. Kirkpatrick
