

TRAILS
MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

Cornucopia Trail 86: 3.5 miles long. A portion is an old road. The northern portion is easy to travel, but other areas may be overgrown. Elevation: 4,400 - 5,250 feet. Termini: Forest Road 25A, and **Peeley TH** (Forest Road 201).

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
