

## TRAILS

### MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

**Mazatzal Divide Trail 23:** 27 miles in length. A popular and well laid-out trail, which is the major north-south route. Elevation: 3,500 - 7,180 feet. Termini: **City Creek TH** (Forest Road 406), and Trail 86 (west of **Peeley TH**).

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
