HEAVY TRUCK TRAFFIC ON THE RED CLOUD LOOP ROAD

The Forest Service has contracted with a local company to resurface a section of the Red Cloud Loop Road. The project area is between the Sims Peak Road and Trout Creek on the Red Cloud Loop Road. The work will take place on August 9 through August 12, and on August 16 through August 19. There will be truck traffic and heavy equipment in this area between 7 a.m. and 6:30 p.m.

The Ashley National Forest is concerned about public safety. A Forest Service Road Crew is currently preparing the road in the area. Please avoid this area if possible until the improvements are finished.

If you would like more information please contact the Ashley National Forest Supervisors Office at 355 North Vernal Avenue, Vernal, Utah 84078, (435) 789-1181.
