

Schedule of Proposed Actions

Manti – La Sal National Forest

April through June 2004

Enclosed is the Manti-La Sal National Forest's Schedule of Proposed Actions (SOPA) for April through June 2004. You may notice that it looks different from previous ones. The Forest Service is working on a national standard for our SOPA. This is our first attempt. We are already making formatting and organizational changes to improve the look and feel. You'll see those improvements next quarter.

You may contact any of the offices referenced in this report. Each project identifies a specific contact person and his/her phone number. Send mail to the attention of the contact person.
