Dear Interested Party:

The Manti-La Sal National Forest has completed the Preliminary Analysis of the Management Situation (AMS), the first step in revising the existing Forest Land and Resource Management Plan (Forest Plan). The AMS can be found on the Forest website (<http://www.fs.fed.us/r4/mantilasal/projects/>). If you did not request a printed copy or CD of the AMS and would like one, please contact the Forest at the telephone number shown below.

On October 22, the Notice of Intent to prepare an environmental impact statement will be published in the Federal Register. The Notice of Intent identifies the items that are being proposed to be addressed through revision of the Manti-La Sal Land and Resource Management Plan. Comments on the Notice of Intent must be postmarked by December 21, 2004, and should be sent to:

Alice Carlton, Forest Supervisor
