Applications submitted with credit card payment will not be accepted at the Hells Canyon office.

Applications must be received by 4:30 p.m. Mountain Time on January 31 to be entered into the lottery.

We recommend you call soon after faxing, preferably no later than 24 hours after faxing, to confirm receipt of your fax. When you call, specify the date and time of your fax and the cardholder's name. However, **due to the huge volume of last-minute applications, the Middle Fork office cannot confirm receipt after 4:30 p.m. January 24, 2005.** Please send early; offices have limited fax capability.

When faxing your application, please do not fax more than once, or to more than one office, or mail it in as well as you may be charged for each submission. If you have a transmission error and need to re-fax, be sure to write "2nd attempt" at the top of your forms before faxing again; otherwise you will be charged for each submission and entered as an invalid duplicate. If you do not identify a 2nd or 3rd attempt and your card is charged more than once, these duplicate application fees will not be refunded. Do not fax your application(s) if paying by check or money order.

List below the names of the applicants you are paying for, including your own, in case the application(s) become separated from the credit card payment form. If the credit card information is incorrect, incomplete, invalid, or declined, all applications will be void.
