Concession Pre-bid Meeting for Lassen National Forest On November 6

Susanville, Ca...The Lassen National Forest is seeking new campground concessionaires to operate and maintain the majority of the recreation fee sites on the Forest for the next 5 to 10 years, commencing in spring 2004. The Forest is hosting an optional pre-bid meeting on Thursday, November 6, at 12:30 p.m. to provide more information to prospective applicants about our campground operations. The meeting will be held in the conference room at the Bureau of Land Management located at 2950 Riverside Drive in Susanville.

A prospectus will be mailed to interested applicants in late November for a 45 to 60 day solicitation period. "Our current concessionaire is leaving after twenty years of operation on the Forest," said Elizabeth Norton, Public Services Director for the Lassen National Forest. "We want to provide as much information as possible to help prospective applicants prepare their bid proposal to operate our campgrounds."

To receive a copy of the prospectus, applicants should contact Elizabeth Norton, at (530)-252-6645 or via e-mail at: enorton@fs.fed.us.
