

Group Campgrounds 2004

Weaverville Ranger Station • Trinity Unit • Whiskeytown-Shasta-Trinity National Recreation Area
Shasta-Trinity National Forest

Bushytail Multi-Group Campground

Open July 1 to October 1.

Location...

On Highway 3, 16.5 miles north of Weaverville and 14 miles south of Trinity Center. Look for the directional sign to Minersville and Bushytail Campgrounds.

General...

Located 1/2 mile from Trinity Lake in a mixed stand of Douglas-fir, pine and oak. The area has ample shade and a moderate slope. Clark Springs Beach is less than 1 mile away by road or lakeshore trail.

Fees... \$45.00 per night for triple campsite with water & electric hookup (1)
\$30.00 per night for double campsite with water & electric hookups (3)
\$20.00 per night for single campsite with water & electric hookups (2)
\$15.00 per night for single campsite without hookups (5)

Amenities...

- 11 camp units each with stove, table and parking spur. These can handle all types of recreation equipment.
- Flush toilets.
- Secluded and quiet.
- Group area with barbecue, fire ring and picnic tables
- Ample firewood available nearby.
- An ideal location for large groups who want to be by themselves and do not need immediate lake access.
- Coin operated showers.
- Electric and water hook-ups in all but single campsites

Local services...

Phone at Mule Creek Fire Station 1/2 mile north. Phone, restaurant, bar, store, boat ramp, and marina at Cedar Stock Resort 2 miles south. Phone, store, and dump station at Pinewood Cove Resort 3 miles south. Boat ramp, and swim beach at Clark Springs 1/2 mile north.

Fawn Group Campground

Open May 1 to October 31. Has two separate loops with maximum capacity of 100 people per loop. Can accommodate three separate groups or one large group of up to 500 people. Minimum capacity is 25 people for one loop, 75 people for two loops.

Location...

On Highway 3, 14 miles north of Weaverville, and 16 miles south of Trinity Center.

General...

Situated in a moderate to heavy stand of Douglas-fir, pine and oak, all loops offer ample shade. Loops B & C offer direct access to the lake. No developed beach. Fawn is the most popular group site on Trinity Lake. Reservations should be made early as the most desirable dates are filled quickly.

Fee... \$85.00 per night

Amenities...

- 60 individual campsites each with stove, table and parking spur.
- Flush toilets and drinking water.
- Located right on the lake near full-service marina.
- Loops B and C have group areas with barbecue, fire ring and tables.
- Loops B and C are secluded and quiet.

Local services...

Phone, store, and dump station next door at Pinewood Cove Resort. Phone, restaurant, bar, store, boat ramp, and marina at Cedar Stock Resort 1 mile north. Swim beach and boat ramp at Clark Springs 2 1/2 miles north.

Stoney Creek Group Campground

Open May 1 to October 1. Maximum capacity 50 people. There is no minimum capacity.

Location...

On Highway 3, 13 miles north of Weaverville and 15 miles south of Trinity Center.

General...

This campground does not sit right on the shores of Trinity Lake. It is across the highway from the lake on Stoney Creek. Located in an open stand of fir and pine, this facility has been popular with groups that include children. The open timber stand allows for good visibility. The creek swimming area, although colder than the lake, makes it easier than a lakeshore beach for monitoring children. There are no individual parking spurs. There is a central parking area with tent-only camp units within easy walking distance.

Fee... \$70.00 per night

Amenities...

- Flush toilets and drinking water.
- 10 individual tent-only camp units each with a stove and table.
- Paved parking lot for up to 20 automobiles.
- Swimming beach along a dammed up stream.
- Central picnic area with barbecue and tables.

General information for all Group Campgrounds:

Reservations...

All reservations must be made through National Forest Recreation Reservations at 1-877-444-6777 or at <http://reserveusa.com> on the world wide web. (except for Bushytail in 2004 - under construction.)

Campground regulations...

Regulations governing the occupancy of National Forest Campgrounds are posted on the information board in each campground. The group leader is responsible for the behavior of all group members and should make sure all are familiar with these regulations. This office will provide free maps to those not familiar with the Trinity Lake area. Groups may post their name at the entrance to each campground. Fawn Group Campground has a welcome sign which will have each group's name posted on the scheduled arrival date. To keep unauthorized persons from entering the group site users are encouraged to keep the gate closed. Any problems should be reported to Hodge Management at 286-2666. For emergencies, call the Trinity County Sheriff's Office at 911.

Bears...

Bears do frequent the area. Please use bear proof garbage bins and food lockers provided. Store your food in airtight containers. Keep food preparation and eating area well separated from your sleeping area.
